Subject: Judgment against Austrian gambling company NOVOMATIC AG

St. Pölten, 12th of Feb. 2018

Dear Ms. Harris,

On the 29th of May 2017 the Austrian Supreme Court has delivered a judgment against the Austrian gambling company NOVOMATIC AG. This court's verdict says, that for years NOVOMATIC has operated illegal gambling machines, because these machines made it possible to make higher bets and win more than was allowed by law. The gambling machines named as „Little Gambling“ were therefore illegal.

You may know similar cases in Nevada.
